Ok. Thanks! How is the process letter coming? Do you think you will be able to send to me before the end of this week?

Hi, Chris. We have an internal meeting planned Friday on Area 40 ambient air sampling; I'll get you an update after that.

Thanks,
Lynn

Still reviewing. Does this mean you agree with the locations? Should be out today.

Hi, Chris. Just checking in on the missing A40 AA QAPP; I don't see it in my email. Have you sent it? We need some time to digest it before we talk internally on Friday.

Thank you,
Lynn
